Dhaka, Bangladesh

I am an aspiring Full Stack / Java Developer with a strong focus on modern software development and emerging technologies. I am experienced in developing responsive web applications, RESTful API development, as well as full-stack development end-to-end using Java, Spring Boot, Node.js, MySQL, and MongoDB databases. I am dedicated to enhance my developing skills through collaborative projects and real-world applications, while contributing to innovative software solutions that solve practical problems.

Educational Background

- B.Sc. in Computer Science (Graduated with great honor)**
United International University, (Dhaka, Bangladesh | October 2020 – January 2026)
- Diploma in Computer Technology**
Empac College of Technology, (Chattogram, Bangladesh | August 2016 – February 2019)

Project

- Life Organizer Hub (All-in-One Personal Utility Platform)** using html, Tailwind CSS, Node.js (Express), and MongoDB.
- Hotel Management System (a full-stack web application)** using html, CSS, SpringBoot, Thymeleaf and Spring Security for authentication
- Medical management System (Website)** using html, CSS, and JavaScript.
- Online Grocery Shop (Website)** using html, CSS, php and Laravel.
- CMS – College Management System (Developed as jar, Java Project)** using Java Swing, JDBC and MySQL, packaged as a JAR file.
- EMS – E-Commerce (Super shop) Management System (Developed as jar, Java Project)** using Java Swing, JDBC, and MySQL
- A Blockchain project** (online booking site with a streaming site) Currently working on it

Research Project

- Lightweight colon Polyp Segmentation Algorithm based on improved deeplabV3+** (waiting for acceptance)
Designed an optimized DeepLabV3++ based model for accurate colon polyp segmentation, reducing computational complexity while maintaining high segmentation performance. Enhanced feature extraction and boundary precision for efficient medical image analysis.
- Adversarial Pattern Mining in Network Traffic Using Contrastive Learning for Zero-Day Attack Detection** (currently working on it)
Implemented a contrastive representation learning approach to identify adversarial patterns in network traffic, improving generalization and resilience for zero-day attack detection.

Work Experience

- Java Instructor** (R-Creation, Chattogram, Bangladesh) [February – July, 2019]
- Frontend Developer** (Deshlt, Chattogram, Bangladesh) [October – December, 2018]

Key Skills

- Programming Language:** Java, C, C++, php, python
- Web Development & Database Management:** html, CSS, JavaScript, TypeScript, MySQL
- Framework:** SpringBoot, React.js, Next.js, Tailwind, Laravel, Django
- Tools:** Maven, PostMan, Figma, Framer, Canva, Adobe Illustrator

Additional Skills

- Presentation & Visual Design** - Skilled in creating clear, professional presentations and technical slides for academic and project work.
- Learning & Adaptability** - Quick learner with the ability to adapt to new tools, technologies, and development environments.

Professional Achievement

- Recipient of **2nd Runner Up**, (FYDP Poster Presentation at UIU CSE Project showcase) [2025]
- Recipient of **Champion** (System Analysis & Design project at UIU CSE Project showcase) [2024]
- Recipient of **Champion** (Database Management System at UIU CSE Project showcase) [2024]
- Recipient as a **Software Support Member** of the Software team, UIU Mars Rover Team, [2022 to 2023]
- Recipient of **Champion**, (Database Management System at Empac College of Technology) [2019]
- Recipient of **Best Team-Lead**, (Empac College of Technology) [2019]
- Recipient of **Best Presenter** of the year (Empac College of Technology) [2019]

Organizations

- UIU Mars Rover Team** (July 22 – June 24) – Software & Autonomous Team Member and Technical Research Assistant
- UIU Robotics Club** (June 22 – Present) – Assistant Secretary of Events

Reference

- Dr. Jannatun Noor Mukta** (Associate Professor of Dept. of CSE & Director of Data Science Program at UIU, Email: jannatun@cse.uiu.ac.bd)
- Dr. Mohammad Nurul Huda** (Professor, Dept. of CSE Email: mnh@cse.uiu.ac.bd)
- Dr. Sumaiya Tabassum Nimi** (Assistant Professor at NSU, Email: sumaiya.nimi@northsouth.edu)
- Mr. Md. Benzir Ahmed** (Assistant Professor, Dept. of CSE Email: benzir@cse.uiu.ac.bd)
- Mr. Md. Tarek Hasan** (Lecturer, Dept. of CSE Email: tarek@cse.uiu.ac.bd)
